JUNE 2019 EDITION

NEW YOU

THE PERFECT SKIN SOLUTIONS NEWSLETTER

Welcome to the June 2019 edition of New You, the Perfect Skin Solutions newsletter! While we're all preparing to look beautiful and rejuvenated for the sunnier months, we thought we'd get you up to date on the latest clinic goings-on!

THE BE MORE..YOU EVENT

Thanks for making it such a great success!

The latest Perfect Skin Solutions event took place on 21st May at the amazing Spinnaker Tower in Portsmouth.

Over 100 VIP patients and their guests attended to make the night a huge success. Alongside complimentary champagne and canapes, our attendees were treated to expert talks from Dr Patel as well as our podiatrist Nishal and Lia, one of our Aesthetic Therapists.

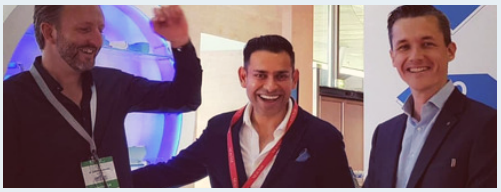
Thank you to everyone who attended and we can't wait to see you at our next big event!

DR PATEL IN MONACO

Dr Patel represents Plexr in Monaco!

Dr Dev Patel enjoyed a productive visit to beautiful Monte Carlo in Monaco this April, for the AMWC 2019 conference.

As well as speaking on both days to attending doctors about the magic of Plexr treatment, Dr Patel picked up some great tips to bring back to the clinic and met some amazing colleagues and peers from the world of aesthetics.



PORTSMOUTH WEDDING FAYRE

Spreading the word on our wedding offerings!

Members of the PSS team exhibited at the PMN Wedding Fayre at the Portsmouth Mariott, where they spoke to the attendees about our incredible wedding packages, as well as foot fillers, our exciting new offering in podiatry.

PSS TEAM DAY OUT!

Perfect Skin Solutions takes Southampton!

On 13th April, the Perfect Skin Solutions team headed to Southampton for a team-building weekend which was a huge success!

First we headed to Other World Escapes for a challenging escape room in which we split into two teams, with Business Manager Simon's team emerging victorious with the shortest completion time!

After that we headed out for Thai tapas and drinks on Southampton's Bedford Place, and danced the night away.

VOTIVA; IT'S ABOUT YOU!

Our latest incredible treatment launch!

We're very proud to have introduced the Votiva treatment at our clinic in April. This potentially life-changing treatment is available for booking now with the newest edition to our clinical team, Dr Sophie Ballard-Whyte.

Votiva is a treatment for female vaginal health, helping with problems such as weakened pelvic tone, stress incontinence, decreased sexual sensation, painful intercourse and visible ageing of the external anatomy.

If you've experienced any of these issues or just want to learn more about this amazing treatment, book a consultation with Dr Ballard-Whyte today.

OUR NEWEST TEAM MEMBERS!

Our team is always growing!

You may have noticed some new members of staff at our clinic during the last few months, both at reception and during your treatments! Our fantastic new additions to the front desk are Charlotte and Hannah, who are here to make sure all of our patients have a seamless journey through our clinic.

New to our team of aesthetic therapists are the lovely Amy and Hannah, who are already hugely popular with their patients and helping them to see amazing results with their treatments!
